

**BLACK+
DECKER**

MAKE DIY SIMPLE AND EASY!

All the drilling and screwdriving accessories you'll ever need, plus much more, in our fantastic kits

Handy for you,
and great for gifts!

**BLACK+
DECKER**

YOU CAN DEPEND ON ONE OF OUR ACCESSORY KITS TO HELP YOU WITH ALL YOUR DIY JOBS

Choose from a great range of kits with a wide variety of contents. Including drill bits for wood, metal and masonry in a selection of sizes, handy for putting up shelves, wall mounted TV's, mirrors, pictures and any other large or small jobs around the house, garden or garage. Some include flatwood bits that are useful for door furniture and drilling large diameter holes.

Another useful drill accessory found in some of the kits is a Holesaw which is essential for drilling neat cut out holes in the ceiling for inset lighting, and makes cutting accurate holes for dishwasher or washing machine outlet pipes in kitchen units really quick and easy.

The screwdriver bits are available in various lengths, sizes and bit heads to fit all the common screw types. Whether you are putting together a whole lot of flatpack furniture or simply screwing a hinge to a door, you will always have the right bit for the job!

Special Automotive kits include all you need for tinkering under the bonnet, or your bicycle, and especially useful in some, a powerful torch, very useful in case of nighttime breakdown, or a powercut at home.

All the kits come in stylish strong storage cases, or space saving fabric roll up kits, with a place for every accessory, so you will always know where to find it first time!

HANDY FOR YOU, AND GREAT FOR GIFTS!
