

### Main

Range	Thorsman
Product or component type	Voltage tester
Supply	2 battery 1.5 V AAA

### Complementary

Local signalling	Presence of voltage: LED Presence of voltage: alarm sound indicator
Measurement voltage	5...1000 V AC
Network frequency	50...400 Hz
Measurement category	Category IV 1000 V
Language	Portuguese Hungarian Polish Spanish French German
Height	152 mm
Width	32 mm
Depth	28 mm

### Offer Sustainability

REACH Regulation	
REACH free of SVHC	Yes
EU RoHS Directive	Under investigation
